

Appendix 4B: Hydrology Photos

Photo 1 – 1m diameter culvert on southern boundary

Photo 2 – 2.5m deep drainage ditch

Photo 3 – 0.5m diameter culvert mostly submerged

Photo 4 – 0.5m diameter culvert

Photo 5 – 2.5m deep by 4m wide field drain

Photo 6 – 1.5m diameter culvert

Photo 7 – 3m deep by 3.5m wide field drain

Photo 8 – Depression in ground where possible ponding could occur

Photo 9 – 8m riparian buffer free of development west of drain

Photo 10 – 5m deep by 5m wide drain with 0.2m of lying water

Photo 11 – Water Stagnant/moving slowing in 4m deep by 4m wide drain

Photo 12 – Topography slopes north towards drain

Photo 13 – Drain with water 4m deep by 4m wide

Photo 14 – Field topography slopes towards drain

Photo 15 – 1.5m diameter culvert

Photo 16 – 1.5m diameter culvert

Photo 17 – Gutter Drain 4m deep by 4m wide

Photo 18 – 1.5m diameter culvert

Photo 19 – 1.5m diameter culvert
